

Cocky and Funny Examples - Lines To Use For Men

Why "Cocky and Funny" Attract Women? Are you aware of the ways of attracting women? May be you already have some great ideas to pull women towards you, still some more of those are always welcome! For most boys, it is habitual to say that being cocky and funny does not only mean to be a gentleman but it also shows the bad side. If you just consider this from the other end, it seems to be an excuse for those guys who fail in attracting women towards themselves. What you need instead is to remember that you are being cocky and funny to make others laugh. While doing this, if you come to know that you are the only person laughing, and all the others are quiet, it is definitely indicative of something wrong. You will be surprised to know that most women are attracted to men who are conceited, and positive. Men, who belong to the alpha category, do have an exceptional power to attract women. It has been found that these types of men are aware of the tactics of making a woman laugh, and have a good sense of humor, rather than being cocky and funny. However, for men who are only expert in kissing, and sucking up women for them, there is no other way out rather than being lonely. While talking about attracting women, the cocky and funny materials inside you should be in a proper ratio. Women are attracted till the moment they are able to digest your cockiness. If it goes out of their tolerance, then the situation seems to be nothing better than arrogance to them. We all know that too much of everything is not good, and the same thing happens when your cockiness goes beyond the level. Eventually, women are deterred from talking to you. Women will just fall on you when they get a good mixture of jokes, and haughtiness from your cocky and funny behavior. It is not necessary to have a great outlook all the time; the main thing is your body language, rather than attitude. While talking, girls do follow your tone, your verbal communication, and your eyes. The movement of your eyes plays an important role while talking to a girl. They are capable of making the difference between a positive man, and a man who is quite nervous. Being cocky and funny from the deep of your heart attracts a woman, instead of acting in front of her. Women are attracted to men who know how to play, and at the same time is cocky and funny. It attracts a woman once you manage to present both of the activities together because, it helps to decrease your conceit, and increase your appeal. When men are able to strike equilibrium between their arrogance in the exact ratio then they are able to attract a woman. Instead of answering all the questions asked by the girl, try answering a few of them to yourself, and change focusing on fun emotions. If you manage to point out a subject that chills a woman or suits her, then you have the game half won. Being cocky and funny should not mean that you are only trying to end up in sex with her, it is rather about impressing upon the woman.
