

Tour destination - India

The land of remarkable diversity, distinct verve and rich heritage - holidays to India are anytime anyone's truly treasured experience. There are so many tour destinations in India to choose from and countless tour and travel companies to confuse matters further. A bit of insight into the Indian tours is of great help in making one's mind and knowing what exactly one wants. Clear-cut specifications translate satisfaction guaranteed. Among the popular tour packages, The Golden Triangle Tour is an engaging tour of Delhi - Jaipur – Agra. The trip truly awe inspires the tourists, as India's rich history, architectural magnificence and cultural glamour slowly but surely unfolds before their eyes layer by layer, minute by minute. The Rajasthan tours also attract substantial tourist interest in India for its beautiful and royal cities of Jaipur, Udaipur, Jodhpur, Jaisalmer, Ranthambore, Mount Abu and of course the famous Pushkar fair. There are multiple aspects to Rajasthan that make it a tourist hotspot. Its culture, forts and palaces, camel safari, villages, deserts, wildlife, regal weddings, creative glory – everything becomes a yet new reason to visit Rajasthan from a whole new perspective. Adventure tours in India are simply upcoming and happening. As an average Indian is going more adventurous and fonder of a saturating holiday, adventure tours on offer in India over take all other trips to become the favorites with many. Depending upon the physical fitness and stamina, these trips range between moderate to high in terms of toughness. These trips include Trekking, river rafting, motor bike tour, jeep safari and adventure tour. The inspiring biodiversity of India renders the wild life tour in India a much sought after option, especially for the nature lovers. India is home to many wild life sanctuaries and national parks, including Jim Corbett National Park in the beautiful Uttaranchal, Bharatpur Bird Sanctuary in Bharatpur, Ranthambore in Rajasthan and Periyar in Kerala.
