

## How to Kuala Lumpur Tour Packages Tips

Kuala Lumpur, also known as the Garden City of Lights, is the Capital City of Malaysia. Kuala Lumpur is the most modern and developed city in the country, with fashionable high-rises and world-class hotels, showy shopping malls, and international cuisine. The well-known twin towers - the world's tallest are situated in this city. Set in a huge and imaginatively designed tropical garden, it houses an exciting detection centre, an attractively beautiful presentation hall and a curious art gallery, all of which are associated to a shopping center and food court. Kuala Lumpur hotels in the country's most popular cities tend to be openhanded and luxurious with many garnering five-star ratings. The bustling streets, the dazzling, modern office towers, and the broad-based air around the city, project an unrestrained spirit of progress and symbolize Malaysia's bound into the future. Kuala Lumpur is a grand gateway to an attractive destination. Observe the Patrons Towers which at a height of 1453 feet, towers above the skyline of Kuala Lumpur.

The Maya is a fashionable boutique hotel with a resort concept in the spirit of the city with 195 studios and suites of sheer comfort. The landscape from its rooms is one of the best in the city, with commanding views of the Patrons Twin Tower, KL Tower and city horizon. The Maya is also located right opposite the Suria KLCC Shopping Center and Patrons Twin Towers while being a short walking distance away to Aquaria KLCC. KL has quite a vibrant nightlife and the Golden Triangle is the epicenter of most of the partying which goes on in the city. Jalan P. Ramlee, just south of KLCC, is Kuala Lumpur's central clubbing area, while the action also spills onto Jalan Sultan Ismail, Jalan Ampang, Jalan Pinang and Jalan Perak. Nearby Bukit Bintang also throbs with action, and its neon-lit nightclubs, many of them with hostesses, certainly have a more Asian feel to them. The Central Market is a huge centre with restaurants and a good place to shop for curios and handicraft items. When tourists arrived there, they will find out full of Malaysian culture, and it could probably get some Malaysia history through the handicraft items. Kuala Lumpur is the hub of Malaysia and is often overlooked by tourists. China Town in Kuala Lumpur is a special place with an incredible atmosphere and market. The market is held on a street, but is now cunningly covered to prevent rain from disturbing the market.

In China Town you can get the whole thing from quality hand crafted garments to fake garments. Every most important fashion house is represented in China Town by fake fabricate. Merdeka Square is a Natural place of beauty, with the perfectly kept Square together with the Selangor Club The Lake Gardens in Kuala Lumpur is a green secure that covers over 85 hectares of land. Built around an artificial lake, the gardens are now a major center piece in Kuala Lumpur and offer many types of gardens including an Orchid Garden, a Hibiscus Garden, The Butterfly Park, a Bird Park and much more.

The Telecommunications Tower in Kuala Lumpur is very suggestive of the famous Toronto and Seattle radio towers. The tower is the 4th tallest radio tower in the world after the CN Tower, Ostankino Tower and Oriental Pearl Tower. You can find a Kuala Lumpur hotel in almost any budget range as well as any service level. High luxury urban hotels provide every type of business amenity you can imagine for staying close to the business heart of Kuala Lumpur. Kuala Lumpur restaurant that satisfies your craving for Malaysian food, you can do your research online and find the best reviews. KL is well known for the excellence and wide range of its cuisine. Don't rule out street vendors for great local food ideas.
