

Dating Sites for Single Men in United States

I lived in Canada my entire life up until about 3 years ago when I moved out here (united states) to follow my dream... a dream that sadly never came into fruition. Ah well, you win some you lose some. I have a decent job out here now, and I like where I'm living, but I cant seem to find anyone to share my prosperity with. I'm looking for a woman, I'm a single man in the united states so I would like to try to find a girl. that's kinda why I'm writing this, I really would like to know if there are any good dating sites for single men in united states. I know the sites in Canada are great, I've been in two relationships with women I met on line up there, but I haven't had much luck finding a dating site for single men in the united states yet. You'd think in a country with so much potential, we would have more dating sites for single men, but, oh well, maybe I'll have to do things the ol' fashioned way. Uuugh, but the old fashioned way sucks, we're living in the future, I want things fast, right now, no wait, I want to be able to hop onto a dating site for single men in the united states! This is America people! that's it, I'm going to devote the next... 45 minutes to finding an awesome dating site specifically for single men in the united states! If Canada has them, we have to have them too! It only makes sense . When I find a dating site for single men in the united states, I will report back, stay tuned single men of America! I will find hope!
