

AffiliateMINT Affiliate Program Portal

Affiliate program is an excellent way for business with retail aspirations on the Internet build their sales. However, the problem is that current affiliate programs are too expensive to operate, take too much time and resources or just plain don't work. The objective of the AffiliateMINT is to identify WHAT WORKS and what generates revenue with:

1. Affiliate Programs.
2. Network Marketing Programs.
3. Tools and Services that Work.
4. Any other type of income producing program. Any Member with a PLATINUM or higher Membership at Maxsimo.NET can present a program, product or service to be added to the network. We'll add any requested item and then we'll monitor the traffic that is sent there and the income that is generated. Then report back to our members so they have a better understanding about the program. AffiliateMINT also has a built in CLICKBANK Mall that is free to all of our Members. Clickbank(R) has over 15,000 informational products that sell worldwide. Lastly, the AffiliateMINT allows our Members and Representatives to accomplish the following:
 1. Have your program inserted. Then your referral link becomes the DEFAULT LINK.
 2. As more and more members get their own account, your referral link may be used for their own sign ups.
 3. This type of account management creates an infinite referrals, sales and marketing delivery tools for you and your own program.
 4. If you are an owner of an affiliate marketing program, this presents a way to find all the affiliates that you need.
